

The ORRB Equipper

Summer Edition

Greetings from Pastor Jess...

It's hard to believe that we've come to another summer! The school year went by so quickly. Our school has continued to be a highlight of our ministry and I'm happy to report that we graduated another fine set of students.

As we look to the summer months, I want to encourage all of you to set some spiritual goals to be accomplished through June, July, and August. Be diligent in reading your Bible and spending time in prayer.

We will have our normal weekly service schedule throughout the summer, and I want to encourage your participation on Sundays and Wednesdays. Also make sure you plan to join us for the other fellowships scheduled on the church calendar. I'm excited about being able to spend extra time together over the summer!

We have several construction plans for this summer. (1) We will be adding some classrooms for our Mother's Day Out program starting next school year. (2) We have a new playground piece being installed. And Lord willing, (3) We will be adding a steeple to our building.

We also have several church initiatives we hope to complete this summer. (1) Completing our Church name change. (2) Revising the Constitution and By-Laws. (3) Improving our Web Site. (4) Developing a new church and school brochure.

If you have any other ministry ideas for this summer, please don't hesitate to call me! The church office will be open Monday through Thursday throughout the summer, and feel free to call me on my cell phone if you need anything. I love you all. Thank you for all of your prayers and support. **I'm praying for you!**

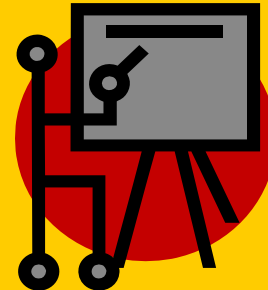

By His Grace and For His Glory,
Pastor Jess

Missions Moment ...

So I have to start by saying **I'M HOME!!** :o) I'm so excited to be back home again as I attend Bible College for the next two years ~ and to once again bring to you the "Mission's Moment." Well, it has been an exciting summer for the Lebeda family! **Lorraine** returned from her 8 month internship working with refugees in Hungary. After a short visit at home she returned to Minnesota where she is finishing her senior year at Bethany College of Missions. What did she do during her short visit home? She attended the college graduation

of her sister Patty & then Patty's wedding the following weekend! **Congratulations to Patty and Chris Ponce!** They have been accepted as full-time staff members with Campus Crusade for Christ. They will be serving in Houston at Rice University. Please pray for them as they begin their new lives and ministries together. Please continue to pray for **Rocky** serving with YWAM and **Madison** will be serving in a children's ministry this summer in New Jersey. **THANK YOU FOR YOUR PRAYERS!**

-Jessica
